

Dominique P. Mercurio of West Chester, Ohio passed away on July 25, 2023 at her home after a long illness. She was born in Cincinnati, Ohio on January 28, 1972, daughter of Matthew and Arlette Mercurio. She is survived by her parents, two aunts, and many cousins. She was preceded in death by her grandparents and an uncle.

Dominique attended Nativity School, Ursuline Academy, and graduated from the University of Cincinnati with a BS in Aerospace Engineering. Upon graduation she was employed by the Department of Defense, Wright-Patterson Airforce Base and assigned to the NASIC. There she spent her entire successful professional career. During her career she traveled extensively nationally and internationally and developed friendships with many colleagues throughout the world.

Dominique's love was working with and training dogs, especially Norwegian Elkhounds. She was fortunate to experience success with training and earned numerous national titles. She served as a board member for the Norwegian Elkhound Association of America. Over the years she was active with many local dog clubs including Queen City Dog Club, was an instructor at the Hamilton Dog Club, and a member of the UKC Fort Hamilton Dog Club. Numerous lifelong friendships have been formed through the dog club community.

Some of her happiest moments were attending dog trials and traveling for vacations with her parents. Destinations included historical locations and visiting relatives.

A memorial service will be held at a later date where friends can gather. In lieu of flowers, donations can be made in memory of Dominique Mercurio to the Norwegian Elkhound Association of America (<https://neaa.net/product/contribute-to-the-club>) /or
