NASIC ALUMNI ASSOCIATION NEWSLETTER

VOLUME 19, ISSUE 2

07 March 2016

PRESIDENT'S CORNER

Greetings, fellow NASIC Alumni. I hope this newsletter finds you and your families doing well. We are currently braving the cold winter here in the Miami Valley; luckily, we haven't experienced a Snowmageddon event like DC...yet. You may notice this newsletter is coming out later than normal. As briefed at our annual meeting in October, we are in search of a Newsletter Editor. Jane Griffin did a great job for us, but has retired and moved on. Nita Lewis has once again pitched in to support wherever needed, and is the driving force behind making this current newsletter possible. If you feel the call to serve, please consider volunteering to be our next Newsletter Editor. This past year, your NASIC AA leadership team planned and executed the full range of exceptional events: Whack and Hack golf outing, NASIC AA Scholarship Golf tourney, Annual Picnic, Scholarship award ceremony, and the first ever NASIC AA Wounded Warrior Support Open. All of these events were planned and executed by a team of committed volunteers that unselfishly serve our Alumni Association. It's truly an honor and a pleasure to serve alongside such great people: Wayne Wolfe, Nita Lewis, Larry Benson, Al Hendricks, Bill Setchell, Aurea Rivera, Jimmy Caldwell. I also want to thank Brian Munoz for his incredible support as our outgoing Executive Treasurer, and welcome Les Riehl as our new treasurer. Speaking of money and scholarships, I also invite you to consider donating to the NASIC AA Scholarship fund. We have acquired our non-profit status from the IRS, so your donation will be tax deductible. If you feel this calling, please contact Les Riehl. As I mentioned at the NASIC Annual Awards Ceremony this past summer, you don't have to be retired to join the NASIC AA. So if you interact with current NASIC employees, please invite them to join THEIR alumni association. I wish all of our members and colleagues a warm and safe winter (just a few more weeks), and invite you to join us at the picnic, golf outings and our annual meeting in October. Kind regards, Gordon.

2. Revised NASICAA Membership Bylaws and Categories.

- **NASICAA Bylaws Revision.** The Membership Section of the NASICAA Bylaws has been modified to redefine the NASICAA membership categories and associated criteria. This modification was submitted to the membership for approval on 29 Oct 2015. Sixty-eight members responded by the suspense date of 1 Jan 2016; 65 members voted to accept the revision as written; three members requested slight modifications. The requested modifications did not change the substantive content voted on by the membership, so those were incorporated. The revised Bylaws have been posted to our website, and may be reviewed at:

<http://www.nasicaa.org/association-by-laws.html>

- **Membership Bylaws Revision Summary.** The revised Membership Section in our Bylaws provides for the following categories of membership:

1. Current Membership

- a. Eligibility:
 - Current Membership is open to persons who are serving or who have served in a military, civilian or contractor capacity at NASIC.
 - Current Membership is also offered to others who are interested in promoting the purposes of the NASICAA with the approval of the Executive Board.
- b. Criteria: Current Members are in good standing if their dues are paid for the current calendar year or for the current calendar year plus any number of years into the future.
- c. Privileges:
 - Current Members may vote on issues submitted to the membership at large.
 - Current Members may be elected to any NASICAA officer or staff position.
 - Current Members will receive invitations to Alumni Association and NASIC events; newsletters; rosters and roster updates; Alumni Association news updates; and other notices throughout the year via email or USPS.

2. Lifetime Membership

- a. Eligibility

- All Members: Lifetime Membership is available to Current Members at the rates stated in Article 3, Section 2.
 - Members over 80: Lifetime Membership is conferred at no charge upon receipt by the Membership VP of a notice advising that the member has attained the appropriate age. The NASICAA does not ask for, nor does it maintain, members' birthdate information.
 - Honorary Lifetime Members: As conferred by the Executive Board.
- b. Privileges:
- Lifetime Members may vote on issues submitted to the membership at large.
 - Lifetime Members may be elected to any NASICAA officer or staff position.
 - Lifetime Members will receive invitations to Alumni Association and NASIC events; newsletters; rosters and roster updates; Alumni Association news updates; and other notices throughout the year via email or USPS.

3. Reserve Membership

- a. Eligibility: Same as Current Members.
- b. Criteria: Any Member whose dues are overdue, but are current within three calendar years (including the current calendar year).
- c. Privileges:
- Reserve Members will continue to receive invitations to Alumni Association events, newsletters, rosters and roster updates, and Alumni Association notices via email or USPS.
 - Reserve Members may not vote or hold office.

4. Inactive Membership

- a. Eligibility: Same as Current Members.
- b. Criteria: Any Member whose dues are overdue and have not been paid for the previous five calendar years (including the current calendar year).
- c. Privileges:
- Inactive Members will not receive newsletters, rosters and roster updates and Alumni Association notices via USPS. Since email distribution of such items incurs no financial cost to NASICAA, email distribution of these items may be continued to Inactive Members at the Membership VP's discretion.
 - Inactive Members may not vote or hold office.
- d. Dues Reminders:
- Once members become "Inactive," the Membership VP will make an effort to contact each Inactive Member and to encourage them to re-activate their membership.
 - This contact will occur periodically for a period of one year from the time the member became inactive.
 - If no contact can be made for one year after the member becomes inactive, the member will be dropped from the membership database.

5. Corporate Membership

- a. Eligibility: Extended by the Executive Board to organizations that exhibit an interest in promoting the welfare of NASIC and in supporting the purposes of the NASICAA.
- b. Privileges:
- Corporate members may not vote nor hold office.
 - Designated Corporate Member representatives, selected by the Executive Board, will receive invitations to Alumni Association events and other notices of interest throughout the year via email.

2016 A. FRANCIS ARCIER SCHOLARSHIP PROGRAM

The A. Francis Arcier Scholarship Program recognizes: (1) the children and grandchildren of current National Air and Space Intelligence Center (NASIC) employees (active duty military and civilian employees), and (2) children and grandchildren of former employees (Alumni) of NASIC or predecessor organizations.

Applicants must be high school seniors who plan to attend college or college students in an undergraduate program. The scholarship provides a monetary award to the individual(s) who is (are) judged to have demonstrated superior personal and academic qualities. Certain eligibility limitations are described in the attachments to this package.

An impartial board comprised of Alumni Association members will evaluate each application. Applicants are evaluated solely on the basis of personal and academic qualities as indicated by scholastic performance, participation and leadership in extracurricular activities, recommendations by teachers (professors) or community leaders, and applicant's interests and long- range goals. Please follow the instructions and submit the package by the deadline given.

Keep in mind that the review committee will be evaluating applicants on the basis of their application package; therefore, overall appearance and completeness (substance and form) are likely to affect the final rating. For further information, please contact Aurea L. Rivera at 937-825-4138 (cell) or 937-496-5654 (Office) or alriveraoh@gmail.com

ARCIER SCHOLARSHIP WINNERS FOR 2015

ALEXANDER HIEU NGUYEN

NASIC Relationship: Thom T. Nguyen

University and Major: Wright State University (Biomedical Engineering)

Award: \$250.00

Goals: "Currently, I am attending Wright State University as an undergraduate, pre-medical Biomedical Engineer. With my current career choice, I intend to become a doctor; I have yet to choose a specialty."

ANDREW JAMES JACON

NASIC Relationship: William Jacon
(Father)

University and Major: Georgia
Institute of Technology (Electrical
Engineering)

Award: \$1000.00

Goals: "I plan on attending the Georgia Institute of Technology in the fall of 2015. While the rankings, location, and athletics of Georgia Tech are all attractive, I am interested in attending Tech because I believe that it will create the best possible environment to prepare me for success. Georgia Tech would not only prepare me for a career in the field of engineering but would prepare me as a person for the rigors of adult life."

CAITLYN JUNE ROWLAND

NASIC Relationship: Phillip Brink
(Grandfather)

University and Major: The Ohio State
University (Chemistry)

Award: \$300.00

Goals: "When I am older I want to be helping people. No matter what career I end up in, I will always know that helping others will be at the top of my priority list. That is the reason I wish to become a doctor. After I become a doctor, I would like to work at a children's hospital. I have always enjoyed children and like to consider myself pretty good with them."

ERIC MICHAEL WILCOX

NASIC Relationship: David Marshall
(Step-Father)

University and Major: Miami
University (Biochemical Engineering)

Award: \$450.00

Goals: "In my career I see myself working with incorporating more natural, functional, and affordable prosthetics and artificial organs so that more people live without the burden that disabilities and diseases may cause them. I hope to be able to work in the research and development of these fields and achieve my goals of spreading these technologies globally. For my personal goals I hope to be able to travel the world, expand my musical talent, and one day start a family."

GENEVIEVE MARIE BROOM

NASIC Relationship: Robert Broom
(Father)

University and Major: New Mexico
Military Institute (Mathematics)

Award: \$250.00

Goals: "I plan to attend New Mexico Military Institute this fall and participate in the Air Force ROTC program, after which I will serve as a Second Lieutenant in the US Air Force. At this time I plan to major in either Mathematics or General Engineering. During my college years I look forward to continuing my journey as a Civil Air Patrol Cadet and gaining new leadership roles and experience."

ISAAC WINN HAMPTON

NASIC Employee Relationship:
(Father)

University and Major: Wright State
University (Industrial & Systems
Engineering)

Award: \$250.00

Goals: "In the long term, I would love to become a teacher. I recognize that practical experience makes an important background for teaching, so in the short term I would like to get some practical, industry experience before I delve into that field full-time."

JOSHUA ANDREW TURICH

NASIC Relationship: David Turich
(Father)

University and Major: Ohio Northern
University (Mechanical Engineering)

Award: \$250.00

Goals: "I have many long-range goals and career goals. My long-range goals include being on the Dean's list each semester, playing college golf, serving my community, becoming a mechanical engineer, and raising a family."

JASON PAUL ANNAS

NASIC Employee Relationship: Col (Ret)
Richard G. Annas (Father)

University and Major: University of
Dayton (Mechanical Engineering)

Award: \$300.00

Goals: "Although the future is hard to predict and my life can take me on many different paths, I want to focus on helping others. I plan to do so through my college education, hopefully studying biomedical engineering. I truly believe the greatest joy you can receive is through humbly serving others and I aim to do so through designing and creating state of the art medical devices that have the potential to save and improve lives. Although unpredictable, I expect my future to be one that is centered on others, and hopefully through that perspective I can positively enhance the biomedical engineering field."

KALI ELIZABETH BOYD

NASIC Relationship: Cynthia Boyd
(Mother)

University and Major: The Ohio
State University (Mechanical
Engineering)

Award: \$300.00

Goals: "My personal goals are to graduate with a bachelors and master's degrees in mechanical engineering so I can get a good stable job that I enjoy doing. I would like to get a job working for NASA or Space X. Along with a good career, one of my other goals is to encourage other young women to pursue careers in the Math and Science fields."

KAYLYN BOSTON

NASIC Relationship: Michael Boston
(Father)

University and Major: University of
Cincinnati (Nursing)

Award: \$300.00

Goals: "As an undergraduate nursing student, I am eager to learn as much as possible and push myself to be the best nurse I can be. I am extremely interested in helping the less fortunate, and I plan to continue my involvement with the surrounding districts in any way I can, wherever I can. My father taught me that through hard work and dedication I can accomplish or be anything. I have taken those words to heart, and do my very best with anything I set my mind to."

LAURA MARGARET CHASE

NASIC Relationship: Brian Chase
(Father)

University and Major: Ohio University
(Social Work and Spanish)

Award: \$450.00

Goals: "I plan to attend a four year university in order to earn my bachelor's degree in social work with a minor in Spanish. A career in Social Work has always appealed to me due to my desire to help others establish balance and peace in their lives. After completing my education, I hope to work in either a hospital setting or establish my own practice in psychotherapy. I would love to travel in the United States and abroad to reach Spanish speaking populations and help individuals meet their personal goals."

MACKENZIE STARR LIGENFELTER

NASIC Relationship: Steven Ligenfelter (Father)

University and Major: The Ohio State University (Biology)

Award: \$650.00

Goals: "My unceasing ambition to be a doctor stems from the opportunities a doctor can offer by empowering others. After completing my doctorate, my dream is to open up my own pediatric practice in Ohio and participate as a dentist in the "Doctors without Borders" program. My practice will truly be a reflection of me paralleling my integrity, honesty, and hard work as a member of the community."

MARA RENAE LAW

NASIC Relationship: Major (Ret) Tracy Law (Father)

University and Major: The Ohio State University (University Exploration Program)

Award: \$450.00

Goals: "With an undergraduate degree in Sociology, I can excel in many different fields including Criminal Justice, Social Work, and Education. After earning my Bachelor's degree, I plan to enter the workforce while working towards earning a Master's degree in a more specialized field to supplement my Bachelor's in Sociology. I also plan to remain active in the LGBTQ+ movement for equal rights. It is an issue that I am very passionate about, and I will continue to dedicate myself to extending the same rights and protections that most of the population enjoys to every American citizen."

MEGAN A. MORALES

NASIC Relationship: Francisco Morales (Father)

University and Major: Wright State University (Physics)

Award: \$250.00

Goals: "In all sincerity I have a wide array of interests it is difficult to hone in a career path at this early stage in my education. I plan to continue running and qualify for the Boston Marathon. Moreover, I plan to have a greenhouse, learn other languages, visit more countries, volunteer more frequently, and set a positive example for my fellow citizens."

MEGAN REBEKAH RUDE

NASIC Relationship: Dale Rude (Father)

University: Wittenberg University (Biology)

Award: \$450.00

Goals: "I am currently attending Wittenberg University, majoring in Biology and minoring in Environmental Life Sciences. I then plan to continue my education at Wright State University and earn a master's degree in Environmental Science. I then hope to find a research job at an environmental or ecological research facility or nature reserve where I can do research to better understand, take care of, and educate

MARIA MARGARITA MUNOZ

NASIC Employee Relationship: Major Pedro Munoz (Father)

University and Major: Louisiana State University (Landscape Architect)

Award: \$650.00

Goals: "Originally from Puerto Rico, I was exposed to and rooted in a culture that intertwines its history with its landscape ecology and relies on community devotedness, sustainability, and public participation. Moving to the United States, I perceptibly realized that we are each a reflection of our community. This has led me to pursue a major in Landscape Architecture and a minor in Human Geography. As a volunteer, I will always be devoted to inspiring landscape development through cultural progression."

PETER SAMUEL WITT

NASIC Employee Relationship: Col (Retired) Lisa Witt (Mother)

University and Major: Miami University (Architecture)

Award: \$1000.00

Goals: "I define success as the measure of all the positive effects a person has on others in their lifetime. I believe that as an Architect practicing sustainability, I will be able to address the increasing population and our diminishing resources at the same time, all the while loving the art of it. Sustainable architecture is growing career fields which will be at the forefront of the impending global effort for sustainable practices, and a field that I could apply anywhere I want to be in the World."

RACHAEL JOSEPHINE BORGMAN

NASIC Relationship: Valerie Borgman (Mother)

University and Major: Ohio Northern University (Doctorate of Pharmacy)

Award: \$1000.00

Goals: "Recent visits to Ohio Northern University and the University of Toledo allowed me to explore the various options in the fields of pharmaceutical science. I interviewed for Ohio Northern University's PharmD Program, one of the few programs in the country to offer direct admittance (0 through 6 years) resulting in a Doctorate of Pharmacy degree. Visits to these two campuses provided me needed focus for my career and long term goals: a BS in Pharmaceutics and a PharmD degree that will allow me to develop new pharmaceutical treatments in a hospital or laboratory setting and administer them."

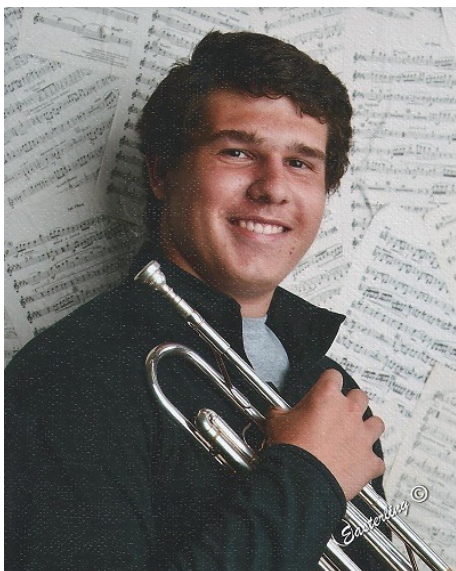

TORI ELLEN STAPLETON

NASIC Relationship – Steven Stapleton (Father)

University and Major – Brigham Young University (Elementary Education)

Award: \$300.00

Goals: "My deepest desire is to ignite children's love of learning and help them discover their talents. Additionally, I hope to teach students the importance of valuable virtues such as perseverance and determination. I will strive to make each student feel respected and validated. Simultaneously, I want my pupils to feel I believe in them, even if they do not believe in themselves."

WILLIAM JACOB BRAUN

NASIC Relationship: Lynne and Robert Braun - Parents

University and Major: The Ohio State University (Welding Engineering)

Award: \$450.00

Goals: "Following in the mind set of Marco Polo, I wish to become a dreamer of the day, a force to be reckoned with, someone who can have an impact on the world. I hope one day to be part of a team which develops something that can protect lives through the manufacturing and application of new composite materials. Through my experiences in growing up in a military family, along with the many years I have spent in becoming an Eagle Scout, I know that helping people is my life's top priority."

ANDREW JACOB TAYLOR

NASIC employee relationship: William Taylor (Grandfather)

University and Major: The Ohio State University (Physics and Astronomy)

Award: \$650.00

Goals: "My final option I am currently considering for my future is to be a teacher. I listed as my third option because I feel that teachers are highly under-appreciated; teachers build the future by inspiring, by role-modeling, by simply caring, yet "teacher" is one of the lowest paid jobs in the country. Whatever I do, I want to be able to confidently say when I retire that I changed the World, whether it be by discovering the next Higgs Boson or by inspiring the person who does."

NASICAA EVENTS

NASICAA PICNIC

Jim Caldwell has organized another great picnic for all of us, our families, and our friends who live in (or happen to be visiting) the local Dayton area. A special invitation is extended to all of our new members who joined us during 2016. The NASIC AA Picnic flyer is located on the NASIC AA website.

When: Saturday, 21 Jun 2016 from 1030-1400 (eat at 1200)

Cost: \$5.00 registration fee per person

Food: Catered barbecue from Woody's of Beavercreek: Smoked chicken on the bone, pulled pork, BBQ beans and macaroni & cheese. Dessert: banana pudding. Refreshments: Soft drinks & bottled H2O.

Where: Same place as last year. Rotary Park, 2260 Dayton-Xenia Rd, Beavercreek. Rotary Park is located on left when eastbound about two blocks east of Beaver Valley Road. From US 35, north of Factory Road; right on Dayton-Xenia Road; about one half mile east. There are excellent directions on the web just by entering the park name and Beavercreek, OH.

Suspense: 16 Jun 2016. Please let us know if you are coming not later than 16 Jun 2016, as we need to get a good count to the caterer by that date. If you do sign up, and then find out that you need to cancel, please let us know as soon as possible...just call me at 937-479-9202 and leave a message, even if it is after 16 Jun.

How to sign up:

1. Email Response. Please respond via email to Bill Setchell (jsetchell@woh.rr.com) with the names of the folks who are coming as soon as you can; that way I can forward the names to those running the picnic for us so they can get a good estimate to the caterer. You can update that estimate as you need to at any time.
2. Mail in picnic Registration form and a check with "PICNIC" annotated on the envelope to the following not later than 16 Jun 2016: NASIC Alumni Association P.O. Box 84 Fairborn, Ohio 45324

Include your check for \$5.00 per person made out to "NASIC Alumni Association."

NASIC ALUMNI MEMORIAL PLAQUE

The NASIC Alumni Memorial Plaque was established in 1999. It was established to generate funds for the Alex Francis Arcier Scholarship Award. This award is named in honor of FTD’s first Chief Scientist. A monetary award is presented to deserving students furthering their undergraduate education. A contribution of \$150.00 is required. All money contributed is used to fund scholarships. The memorial plaque is one way to recognize the life and career of our family members, friends and co-workers. We encourage you to use this plaque to keep a lifetime of memories ever present. Contributions can be an individual or group effort. The Alumni Memorial Plaque hangs in the atrium of the NASIC Intelligence Production Center, near the entrance to the auditorium. With a minimum donation to the NASIC AA Scholarship Fund, you can honor a deceased member of our professional family by having an engraved nameplate added to the plaque. Please contact Mrs. Shirley Harris (saharris43@aol.com) for details.

WALL OF HONOR NOMINATION

- ELIGIBILITY CRITERIA:

- Any former civilian or military employee whose career with NASIC deserves recognition is eligible to be selected for placement on the Wall of Honor.
- A “former” employee is defined as any individual who separated or retired from US Government service before 1 Jul of the current award period.

-- Normally, for the purposes of this award, a career would be at least 15 years of federal service, with at least 30 months spent at NASIC.

-- Any individual previously selected as a Watson Award winner was automatically placed on the NASIC Wall of Honor upon their separation or retirement from US Government service.
