Newsletter for
NASIC ALUMNI ASSOCIATION (AA)

News Highlights: 15 Feb 2017

VOLUME 20, ISSUE 1

February 2017

President's Corner

Greetings, fellow NASIC Alumni. I hope this newsletter finds you and your family in good health. We had an incredible 2016, thanks to an amazing team of volunteers that provided selfless service to our Alumni Association and our extended NASIC family. Wayne Wolfe planned and executed two awesome golf tournaments that fueled another highly successful college scholarship campaign, expertly led by Aurea Rivera. Les Riehl did an amazing job managing our finances, and simultaneously led all the coordination with the WPAFB leadership to update our status as an officially recognized organization. Larry Benson kept us connected with the NASIC senior leadership team on a wide range of issues, to include the ongoing planning and execution of events to celebrate NASIC's 100-year anniversary. The Centennial celebration includes monthly events and will culminate with a Centennial Ball in November. Our Alumni members are invited and welcomed to participate...see the Centennial article for more information. Jimmy Caldwell, Bill Setchell, Nita Lewis and Larry Benson planned and executed our annual Picnic...this year we were blessed with a strong turnout of good friends and beautiful weather. Al Hendricks accurately captured our meeting minutes throughout the year and gently kept us on track whenever we started to wander off on war stories. Kathy Lindahl stepped up to volunteer to take on the challenge of gathering inputs and publishing our annual newsletter, and graciously prodded our leadership team for inputs. and finally, Bill Setchell continued his amazing performance keeping all of us connected and updated on significant events, and adeptly used both 21st century email and the Pony Express to deliver our annual newsletter. As we move forward, we are working to register the NASIC AA on the 2017 CFC campaign register I'm very proud to serve alongside such an amazing team of people...people that truly care about our members and strive to promote and support NASIC's critical mission.

2. Current NASICAA Membership Bylaws and Categories.

A. Current Membership

a. Eligibility:

- Current Membership is open to persons who are serving or who have served in a military, civilian or contractor capacity at NASIC.
- With the approval of the Executive Board, Current Membership is also offered to others who are interested in promoting the purposes of the NASICAA.

b. Criteria: Current Members are in good standing if their dues are paid for the current calendar year or for the current calendar year plus any number of years into the future.

c. Privileges:

- Current Members may vote on issues submitted to the membership at large.
- Current Members may be elected to any NASICAA officer or staff position.
- Current Members will receive invitations to Alumni Association and NASIC events; newsletters; rosters and roster updates; Alumni Association news updates; and other notices throughout the year via email (if available to the member) or USPS (if the member does not use email).

B. Lifetime Membership

a. Eligibility

- All Members: An optional Lifetime Membership is available to Current Members at the following rates:
- Under 50: \$250.00

- 50-64: \$150.00
 - 65-74: \$100.00
 - 75-80: \$50.00
 - Over 80: Free
 - Honorary Lifetime Members: As conferred on a case-by-case basis by the Executive Board.
- b. Privileges:
- Lifetime Members may vote on issues submitted to the membership at large.
 - Lifetime Members may be elected to any NASICAA officer or staff position.
 - Lifetime Members will receive invitations to Alumni Association and NASIC events; newsletters; rosters and roster updates; Alumni Association news updates; and other notices throughout the year via email (if available to the member) or USPS (if the member does not use email).

C. Reserve Membership

- a. Eligibility: Same as Current Members.
- b. Criteria: Any Member whose dues are overdue, but are current within three calendar years (including the current calendar year).
- c. Privileges:
- Reserve Members will continue to receive invitations to Alumni Association events, newsletters, rosters and roster updates, and Alumni Association notices via email or USPS, as appropriate.
 - Reserve Members may not vote or hold office.

NASICAA Picnic, Rotary Park, 25 June 2016

Our annual picnic is always the last Saturday before the 4th of July. It was held at the picnic shelter at Rotary Park in Beavercreek on June 25 with about 60 wonderful alumni attending. The food was great and was catered by Crossroads Bar-B-Q. Our menu was grilled chicken and pulled pork, plus baked beans and mac and cheese. Dessert was peach cobbler and carrot cake. Bill Setchell, Larry Benson, Nita Lewis and Jim Caldwell provided the soft drinks, bottle water and most importantly NAME TAGS! We had such a good time that we are going to do it again on June 24th in 2017---same time, same place and very importantly same price of just \$5.00.

2017 A. Francis Arcier Scholarship Program

The A. Francis Arcier Scholarship Program recognizes: (1) the children and grandchildren of current National Air and Space Intelligence Center (NASIC) employees (active duty military and civilian employees), and (2) children and grandchildren of former employees (Alumni) of NASIC or predecessor organizations. Applicants must be high school seniors who plan to attend college or college students in an undergraduate program. The scholarship provides a monetary award to the individual(s) who is (are) judged to have demonstrated superior personal and academic qualities. Certain eligibility limitations are described in the attachments to this package.

An impartial board comprised of Alumni Association members will evaluate each application. Applicants are evaluated solely on the basis of personal and academic qualities as indicated by scholastic performance, participation and leadership in extracurricular activities, recommendations by teachers (professors) or community leaders, and applicant's interests and long-range goals. Please follow the instructions and submit the package by the deadline given.

The 2016 scholarships were awarded from the \$11,000 raised by the NASIC Alumni Association. Our goal in 2017 is to match or exceed last year funds. However, that cannot be accomplished simply through golf tournaments but also from a number of fund raising efforts, and we are looking into new ways of raising funds for 2017.

A number of members contributed to the scholarship fund during 2016. Individual contributions can be made by Alumni members, and the scholarship contribution is tax deductible. If you are interested, please send checks to NASIC Alumni Association in care of;

A. FRANCIS ARCIER SCHOLARSHIP
PO Box 84
Fairborn, OH 45324-0084

If you know of a student who is interested in applying for the scholarship, application information can be found at; <https://nasicaa.org>

The complete application package must be postmarked by **Friday, 3 March 2017.**

Keep in mind that the review committee will be evaluating applicants on the basis of their application package; therefore, overall appearance and completeness (substance and form) are likely to affect the final rating. For further information, please contact Al Hendricks, our new Arcier Scholarship Program Chair

2016 NASIC Alumni Association Warrior Support Open

Due to the success of the Warrior Spring golf benefit (20 May 2016 at the Twin Base Civilian Golf course), resources were available to support a board-approved donation of \$2,000 to the Dayton Chapter of Honor Flight. As most probably know, Honor Flight provides no-cost travel to Washington to enable veterans of past conflicts to visit their memorials. Each flight costs in excess of \$65,000 so Honor Flight is always in a fundraising mode. Since the Spring tournament, so ably organized by Wayne Wolfe and his NASICAA support team, began the previous year to support wounded warrior projects, the Honor Flight donation was deemed to be aligned with all objectives. A letter of sincere appreciation was received from Honor Flight Dayton Chapter which is spearheaded by NASIC member, Glenn Greet.

“THANK YOU!” TO OUR GENEROUS SPONSORS

AND A GOOD TIME TIME WAS HAD BY ALL

NASIC Alumni Association Annual Meeting

The NASIC Alumni Association held its annual meeting for all members on 28 October 2016 at the WPAFB Twin Base Golf Club House, Jones Room, 0800-1630. Attendance included 39 members and 10 guests. Wayne Wolfe, NASICAA VP presided

Speakers:

- Rob Young, NASIC Historian and Michelle Martz, NASIC Public Affairs Office: “2017 Centennial NASIC and its Predecessors at 100 Years.” Suggestion was made to involve Roy Brown, last surviving Watson Whizzer.
- Dr Carl Brenner, Col, USAF (Ret): NASIC 2023 Integrates NASIC with AFISR 2013; NASIC now DRU to Hq USAF/A2
- Col Trisha Sexton, Col, USAF; NASIC Vice Commander discussed: the Centennial; summarized how a number of current NASIC leaders had prior NASIC assignments; growth is ~100/year since 2000; new NASIC facility is much needed but may be 10 years out due to current funding; the Knowledge Wall is an effort to focus on the most significant issues; 636 distinguished visitors/year; Congressman Turner is a very strong NASIC supporter.
- Wolfgang Samuel, Col, USAF (Ret): This is Wolf’s 2nd year in a row to address our meeting. Wolf and his wife Joan come to Dayton from their home in the Washington DC area. Last year Wolf spoke primarily about his life and trials as a young German boy near the end of WWII, faced with the impending arrival of the Red Army. This year Wolf traced his life’s journey from dreaming as a young German boy living in abject poverty in a refugee camp after WWII of one day flying with “those American pilots in those big planes” that were flying over him during the Berlin Airlift to his 30-year career as a USAF navigator flying combat missions on a number of a/c, including the RB-47 and B-66.

2016 HACK 'n' WHACK GOLF OUTING

Six alumni teams attacked the PRARIE TRACE golf course on September 21st for what might be the last Hack and Whack golf outing to be scheduled. While we say that age is never a factor, four of our players are in their 80's and need a rest after playing two or three holes. This golf bunch is one of the greatest groups to play together. They cheer for their opponents and couldn't care less who wins. It was a tight match and the difference in score from the first place to a tie for fifth place was only two strokes. There was sunshine in our hearts and free coffee and donuts (plus the always goody bag of candy and homemade cookies) from Kathy Antonelli. We don't award participation prizes like some little league teams do to just show up but everyone took home a jar of Jim Caldwell's World Famous homemade salsa. If and it is a BIG if, we play just one more Hack and Whack golf outing it will be scheduled for 20 September 2017

NASIC Alumni Memorial Plaque

The NASIC Alumni Memorial Plaque was established in 1999. It was established to generate funds for the Alex Francis Arcier Scholarship Award. This award is named in honor of FTD's first Chief Scientist. A monetary award is presented to deserving students furthering their undergraduate education.

A contribution of \$150.00 is required. All money contributed is used to fund scholarships.

The memorial plaque is one way to recognize the life and career of our family members, friends and co-workers. We encourage you to use this plaque to keep a lifetime of memories ever present. Contributions can be an individual or group effort. The Alumni Memorial Plaque hangs in the atrium of the NASIC Intelligence Production Center, near the entrance to the auditorium.

With a minimum donation to the NASIC AA Scholarship Fund, you can honor a deceased member of our professional family by having an engraved name plate added to the plaque. Please contact Mrs. Shirley Harris (saharris43@aol.com) for details.

Wall of Honor Nomination

- ELIGIBILITY CRITERIA:

-- Any former civilian or military employee whose career with NASIC deserves recognition is eligible to be selected for placement on the Wall of Honor.

-- A "former" employee is defined as any individual who separated or retired from US Government service before 1 Jul of the current award period.

-- Normally, for the purposes of this award, a career would be at least 15 years of federal service, with at least 30 months spent at NASIC.

-- Any individual previously selected as a Watson Award winner was automatically placed on the NASIC Wall of Honor upon their separation or retirement from US Government service.

NASIC Centennial

This year is the 100th anniversary of NASIC & its predecessor organizations devoted to technical intelligence at Wright-Patterson AFB. There will be monthly presentations/events dedicated to past accomplishments & the people who contributed. These began in January with a presentation by Historian Rob Young covering the first 50 years. February's program will cover the 50 years bringing the organization to current times. The NASICAA has been asked to participate; however, the follow-on program is still being organized. Further details will be forthcoming via our regular news updates. Tentatively, there will be an event in early to middle summer headlined by the former Director of National Intelligence, LtGen (Ret) James Clapper. The 4 Nov Centennial Ball will be held at the National Museum of the US Air Force & will serve as the culmination of year's festivities. It is anticipated that one of the keynoters for this event will be the Vice CSAF. In conjunction with the Centennial several commemorative items are being created & will be offered to the alumni via the newsletter. More coming.

Air Force A2
National Air and Space Intelligence Center
Wright Patterson Air Force Base, Ohio

The National Air and Space Intelligence Center (NASIC), under the command of the Air Force A2 (Deputy Chief of Staff for Intelligence, Surveillance and Reconnaissance) is the Air Force's single intelligence production center and the primary Department of Defense (DoD) producer of foreign air and space intelligence.

The NASIC Alumni Association (NASICAA) is an association of both retired and active personnel from the past and present Intelligence organizations T2, ATIC, FTD, FASTC, and NAIC, whose purpose is to keep alive the functioning, needs, and effectiveness of NASIC, and to aid in perpetuating these assets to assure the continued quality in the future.
